Quantum Talents Symposium Munich
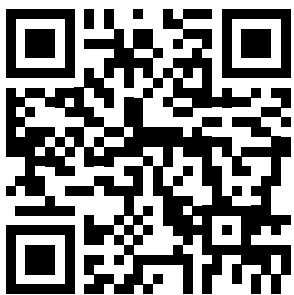

24–25 November 2025

What to expect

We invite outstanding early career quantum researchers, PhD students and postdocs from around the globe, and working within the field of **quantum computing** - to apply to the Quantum Talents Symposium.

Who can apply

- You are a PhD student in 3rd year and above, or a postdoc up to 2nd year
- You have made a considerable breakthrough in **quantum computing**
- You have at least one first-author publication in a peer-reviewed journal

The Symposium includes

- Ten talks from selected finalists
- Prizes awarded for best finalist talks
- Poster session with prize opportunity
- Conference dinner and award ceremony
- Lab tours, meetings and networking

Apply by **15 August 2025**
